

## Memory Café Update 13

**As at 18 August 2018**

This month we were blessed with cooler weather but we had a fine sunny day for the Memory Café.

The theme was Happy Birthdays - our reminiscences of past ones, pass the parcel, balloons, blowing bubbles, and pin the donkey's tail. Our artist, Liz Beardwell, provided the picture of the donkey. It must have been female as she had painted beautiful eye-lashes! We had an Australian visitor, the guest of Wilfred and Thelma Grove, who had just celebrated her 82 birthday the day before and she won the prize. And, of course, we had birthday cake. At the rate we are going at the Memory Café we will need to start a slimming club as well.

I tried to capture a few of the bubbles that were blown, but this is David Richmond's attempt!

Once again, may I offer a big thank you to you all for your support this month, especially, Clarice Wahlich, Julia Bell, Karin Weston, Peter Homent, Ray Munden, Barbara and Peter Mitton, Glynis Smyth, Neil and Annette Guttridge and the star bubble blower David Richmond (quality in motion).
