

TIM PENN

What is your background?

I am a Solicitor in Private Practice. Having established my own business in Royston in the early 1980's we have recently merged with a much larger firm which has offices also in Saffron Walden, Bishop's Stortford and Dunmow.

Why did you join Rotary?

I have always lived in Saffron Walden and joining the Rotary Club of Royston has given me a useful insight into the town of Royston and I have made many friends in Royston through the Rotary Club. It has also given me an opportunity to put something back into the town in a very effective and fulfilling way.

What do you do in Rotary?

I am Honorary Legal Adviser to the Club with a particular interest in the Deards Royston Rotary Trust and the Rotary Club of Royston Trust Fund.

Every year I comper the Youth Makes Music Concert which is a most uplifting experience involving many youngsters from a wide range of schools in the Royston area and it is always one of the highlights of the Rotary calendar.

I am also the Apologies Officer in charge of monitoring numbers for our weekly meetings and checking in visitors and guests to the Club.

In the past I have served as Club President, Secretary and Chair of most of the major Committees including Community Service and International.

What do you enjoy most about being a member of the Royston Rotary Club?

I love being part of an organisation which is so effective both in the local community and on an international level and I greatly value the many friendships which I have made through Rotary.
